

DERMATOLOGY, AESTHETIC MEDICINE

PIHHealth.org

At PIH Health, we offer the newest and most effective nonsurgical skin care treatments designed to give you younger-looking, more beautiful skin. We provide a variety of skin care and specialty treatment options to help rejuvenate your skin and reduce signs of aging. We have Laser hair removal for that unwanted hair, Botox and fillers to enhance your beauty and non-surgical fat reduction treatments like CoolSculpting for hard to trim areas.

SKIN EVALUATION

Free (30 minutes)

Our medically trained and licensed Aesthetician will evaluate your skin and discuss your facial rejuvenation goals. Additionally, your current product use will be considered to determine an individualized regimen specific to your needs.

FACIALS

Our signature facials are customized to your skin's individual needs. They include deep cleansing, exfoliation, steam with extractions and a masque specific to your skin care needs. A soothing massage and a stress relieving hand massage complete the experience.

Vitamin C Anti-aging Facial \$95 (1 hour)

This facial offers the ultimate anti-aging skin therapy utilizing a powerful anti-oxidant cocktail, combined with a vitamin C specialty masque leaving your skin smoother with reduced fine lines and a healthy glow.

Intensive Hydrating Facial \$85 (1 hour)

Replenish your skin with this moisture drenching facial treatment. A hydrating masque, hydrating serum and ultra-rich moisturizer is used to hydrate you're skin. Dry, dehydrated skin will benefit from this facial treatment.

Calming Facial \$85 (1 hour)

The key to treating sensitivity is to increase the integrity and strength of the skin while decreasing irritation and inflammation. This facial treatment is designed to help calm and soothe compromised skin.

Clinical Acne Facial (Acne Detox Facial) \$85 (1 hour)

This purifying treatment for oily, acne-prone skin includes a deep cleansing using a blend of alph-hydroxy acids that effectively penetrate pores to dissolve impactions and kill bacteria.

Upper Back Facial treatment \$90 (50 minutes)

This purifying back treatment that is designed for those who often find aggravating skin conditions on the back. A deep cleansing, exfoliation and masque is used, ending with a moisturizer leaving your back smooth with improved texture.

A LA CARTE TREATMENTS

(Available only with purchase of facial)

Paraffin Hand Treatment \$20

Exfoliating and deep hydrating treatment for the hands.

Eye Treatment \$20

A gentle massage is performed and a collagen eye masque is applied to plump under eye area. This anti-aging treatment is designed to target fine lines reduce puffiness and hydrate the eye area.

DERMATOLOGY, AESTHETIC MEDICINE

SPECIALTY TREATMENTS

Microdermabrasion \$125 or Series of 3 for \$300 (45 minutes)

One of the most effective anti-aging treatments available microdermabrasion removes the uppermost layer of dead skin cells. This promotes new cellular growth and leaves your skin supple and vibrant. Reduces the appearance of scars and pore size.

Pumpkin Peel \$100 (1 hour)

Our Pumpkin peel facial uses fermented, unfiltered whole pumpkin that offers over 100 nutrients. The Pumpkin enzyme will exfoliate and rejuvenate dull dried skin and will provide aromatherapy.

Chemical Peels (30 minutes)

We have an array of chemical peels suited to treat all skin types:

- **Glycolic Acid \$125:** Best for photo aging skin (UVA & UVB exposure)
- **Salicylic Acid \$125:** Best for acne prone skin
- **Vi Peel \$250:** A deeper chemical peel with a synergistic blend of powerful ingredients. Best anti-aging peel for all skin types.
