

# Medicare Age-In Presentations

2019

Are you turning 65? Do you have questions about your options? We have the answers.

If you are turning 65 and have questions about your Medicare options, PIH Health is here for you. Join us at one of our information sessions to learn more about senior healthcare plans that give you access to PIH Health physicians and services. Health plan representatives can answer your questions about senior HMO plans, Medicare Supplements, prescription drug plans and all of your 2019 healthcare benefits.
