Sports physicals are very important to the health and wellbeing of your child. If your child needs one to play a sport, or you want to make sure your child is healthy enough for physical activity, we can help. For active children, a sports physical is recommended at least once a year.* PIH Health Urgent Care Centers offer sports physicals for just $25.** Visit any of our urgent care center locations and there is no need to schedule an appointment, just walk in. We’re open every day, from 10 am to 8 pm, including holidays.

To learn more or check wait times, visit PIHHealth.org/UCC.

*Sports physicals are different than an annual well visit, or physical with your child’s pediatrician or family medicine doctor. **The cost for a sports physical is a cash payment. Your insurance will not be billed.
